Ms. Hudson:

Thanks for your phone calls. We received your Certified Mail Receipt Card that was signed on January 22, 2013. The original 104(e) required that you respond within 30 days of receipt which would mean that your response would be due by no later than February 21, 2013.

Based upon your request for an extension EPA Region VI will grant an extension until Monday March 25, 2013.

If you have any additional questions or concerns please do not hesitate to contact me at 214-665-3190.

Thanks,
